## Preparing for the student mobility

### Accommodation

Université Gustave Eiffel has an agreement with the public regional student housing organization named CROUS to provide student accommodation.

When completing the online application, students are asked to decide whether they wish to book a room in a student residence. We recommend that all interested students complete the online application as soon as possible as places are on a first come, first served basis.

**Fees:**
- 300 € - 406 €/month, depending on the room and the residence
- Deposit: 233€
- Three months’ rent paid in advance: The rent paid in advance is pegged to the indicative maximal monthly rent. The exceeding amount will be reduced from the rent of the following months.

Moreover, Université Gustave Eiffel has several partnerships with private residences.

**Insurance:**
Students have to subscribe to a home insurance (40 € to 80 €). This insurance includes the third party liability, which is mandatory for all students at Université Gustave Eiffel.

**Aid for rent:**
Students may apply for a housing allowance from the government (CAF) to help them pay their rent. Application instructions and assistance are provided by the International Office upon arrival.

### University French Autumn Course (UFAC)

Every academic year, at the beginning of September, Université Gustave Eiffel organizes an intensive two-week French course and cultural outings.

**Participation fees** (for 2021/22, 210€ for two weeks or 120€ for the first week only) include:
- French classes (please note that no ECTS credits are awarded for this course)
- Cultural outings
- Lunch during the week (Saturday and Sunday excluded)
